

English-Medium Programs

PROGRAMS LIST

A Master's Programs

Generally 2 years, some 3 years.

School of Materials Science and Engineering (3 Years): Materials Science and Engineering

School of Electrical Engineering: Electrical Engineering

Faculty of Electronic and Information Engineering: Electronic Science and Technology, Computer Science and Technology, Information and Communications Engineering

School of Law: Law (Master of Laws in Chinese and International Business Law)

School of Public Policy and Administration (3 Years): Public Administration

School of Management: Management Science and Engineering, Business Administration

School of Aerospace Engineering (3 Years): Mechanics, Aeronautical and Astronautical Science and Technology

School of Chemical Engineering and Technology (3 Years): Chemical Engineering and Technology, Power Engineering and Engineering Thermophysics

School of Chemistry (3 Years): Chemistry, Chemical Engineering and Chemical Technology School of Mechanical Engineering: Mechanical Engineering

Jinhe Center for Economics Research (3 Years): Theoretical Economics, Applied Economics

School of Finance and Economics: Applied Economics, Theoretical Economics

School of Marxism: Marxist Theory

School of Energy and Power Engineering: Power Engineering and Engineering Thermophysics, Nuclear Science and Technology, Environmental Science and Engineering

School of Humanities and Social Science: Journalism and Communication (Chinese Culture Studies)

School of Life Science (3 Years): Biomedical Engineering, Biology

School of Foreign Studies (3 Years): Foreign Languages and Literatures, International Chinese Language Education

Health Science Center (3 Years): Physiology, Biochemistry and molecule biology, Biophysics, Pathophysiology, Epidemiology and Health Statistics, Child, Adolescent and Maternal Health, Nutrition and Food Hygiene, Public Health, Medicinal Chemistry, Pharmaceutics, Pharmacognosy, Pharmaceutical Analysis, Pharmacology, Natural Medicinal Chemistry, Pharmacy Administration, Forensic Medicine, Nursing

(Professional degree): Pharmaceutical Engineering, Pediatrics, Geriatric Medicine, Neurology, Dermatology and Venereology, Emergency Medicine, Critical Care Medicine, General Medical, Surgery, Rehabilitation and Physiotherapy, Ophthalmology, Otorhinolaryngology, Anesthesiology, Clinicopathology, Clinical Laboratory Diagnostics, Oncology, Radiation Oncology, Radiographic, Ultrasonic Medicine, Nuclear Medicine, Stomtological Medicine, Public Health, Nursing, Pharmacy, Internal Medicine

B Doctoral Degree Programs

Generally 3 Years, some 4-6 Years. Those with NO means Recommendation Letter from Potential Supervisor is NOT required.

School of Materials Science and Engineering (4 Years): Materials Science and Engineering

School of Electrical Engineering: Electrical Engineering

Faculty of Electronic and Information Engineering: Electronic Science and Technology, Computer Science and Technology, Information and Communications Engineering

School of Law: Law

School of Public Policy and Administration (4 Years): Public Administration

School of Management (NO): Business Administration, Management Science and Engineering

School of Aerospace Engineering: Mechanics, Aeronautical and Astronautical Science and Technology

School of Chemical Engineering and Technology (4 Years): Chemical Engineering and Technology, Power Engineering and Engineering Thermophysics

School of Chemistry: Chemistry

School of Mechanical Engineering: Mechanical Engineering

Jinhe Center for Economics Research (NO): Applied Economics, Theoretical Economics

School of Finance and Economics (NO): Applied Economics, Theoretical Economics

School of Energy and Power Engineering: Power Engineering and Engineering Thermophysics, Nuclear Science and Technology, Environmental Science and Engineering

Frontier Institute of Science and Technology: Chemistry

School of Humanities and Social Science (4 Years): Philosophy, Sociology

School of Software (4 Years): Computer Science and Technology

School of Life Science and Technology (4 Years) (NO): Biology, Biomedical Engineering

School of Mathematics and Statistics (4 Years): Mathematics, Statistics

Health Science Center (3 Years): Physiology, Biochemistry and molecule biology, Biophysics, Pathology and pathophysiology, Epidemiology and Health Statistics, Child, Adolescent and Maternal Health, Nutrition and Food Hygiene, Stomatologic Biomedicine, Medicinal Chemistry, Pharmaceutics, Pharmacognosy, Pharmaceutical Analysis, Pharmacology, Forensic Medicine, Nursing

(Professional degree): Internal Medicine, Pediatrics, Geriatric Medicine, Neurology, Dermatology and Venereology, General Medical, Rehabilitation and Physiotherapy, Surgery, Orthopaedics and transtmology, Obstetrics and Gynecology, Obstetrics and Gynecology, Anesthesiology, Rehabilitation and Physiotherapy, Ophthalmology, Otorhinolaryngology, Anesthesiology, Clinical Laboratory Diagnostics, Oncology, Radiation Oncology, Radiographic, Ultrasonic Medicine, Nuclear Medicine, Stomtological Medicine, Otolaryngology

Chinese-Medium Programs

A Master's Programs

Generally 3 Years, some 2 or 4 Years

School of Materials Science and Engineering (4 Years): Materials Science and Engineering

Faculty of Electronic and Information Engineering: Computer Science and Technology, Integrated Circuit Science and Engineering (2 Years), Cyber Security

School of Law: Law

School of Chemistry: Chemistry, Chemical Engineering and Technology

School of Energy and Power Engineering: Power Engineering and Engineering Thermophysics, Nuclear Science and Technology, Environmental Science and Engineering

School of Human Settlements and Civil Engineering: Architecture, Architecture

(Professional degree), Civil Engineering, Environment Science and Engineering

School of Humanities and Social Science: Journalism and Communication (Chinese Cultural Studies) (2 Years), Philosophy, Sociology, Journalism and Communication, Design Studies

School of Foreign Studies: International Chinese Language Education

School of Physics: Physics, Materials Science and Engineering

School of Journalism and New Media: Journalism and Communication

Frontier Institute of Science and Technology (2 Years): Materials Science and Engineering

B Doctoral Degree Programs

Generally 3 Years, some 4-6 Years. Those with NO means Recommendation Letter from Potential Supervisor is NOT required.

School of Materials Science and Engineering (5 Years): Materials Science and Engineering

Faculty of Electronic and Information Engineering: Computer Science and Technology, Integrated Circuit Science and Engineering (NO), Cyber Security

School of Law: Law

School of Chemistry: Chemistry

School of Energy and Power Engineering: Power Engineering and Engineering Thermophysics, Nuclear Science and Technology, Environmental Science and Engineering

Frontier Institute of Science and Technology: Biomedical Engineering, Materials Science and Engineering, Chemistry, Organic Chemistry

School of Human Settlements and Civil Engineering: Earth and Human Settlements Science and Engineering, Civil Engineering, Environment Science and Engineering

School of Humanities and Social Science: Philosophy, Sociology

School of Software (4 Years): Computer Science and Technology

School of Mathematics and Statistics (4 Years): Mathematics, Statistics

School of Foreign Studies: Systemic Studies of Language and Culture, Foreign Languages and Literatures

School of Marxism: Marxist Theory

School of Physics (4 Years): Physics, Materials Science and Engineering

School of Journalism and New Media: New Media and Social Governance

XI'AN JIAOTONG UNIVERSITY

SCHOLARSHIPS PROGRAMS FOR

POSTGRADUATE STUDIES

2024

XJTU

Xi'an Jiaotong University (XJTU), is the national key University directly administered by the Ministry of Education of China. It is the top 10 Research University in China and member of China's Ivy League --- C9 League. It was ranked No. 10 on the list of 2023 Shanghai Ranking of Chinese Mainland.

XJTU is a comprehensive research university with 11 major-categories of disciplines: science, engineering, medicine, economics, management, humanities, law, philosophy, art, education, and interdisciplinary, and 32 schools, 9 colleges for undergraduates and 3 affiliated hospitals. There are four campuses, namely Xingqing campus, Yanta campus, Qujiang campus and China Western Science and Technology Innovation Harbour, with a total area of about 5.33 million square meters.

The University now has 54,760 full-time students, including 22,407 undergraduates, 29,285 postgraduates, and 3068

Welcome to apply for XJTU!

School Motto: Diligent in Study, Persistent in Ambition, Determined in Action, Competent in Work

international students. XJTU offers 76 undergraduate majors, and there are 36 first-level disciplines authorized to confer doctorate degrees, and 43 disciplines authorized to confer master's degrees.

According to the data released by Essential Science Indicators (ESI), **Engineering programs of XJTU are ranked top 1‰ on the ESI list**, other 17 disciplines of XJTU are ranked top 1% and 5 disciplines of XJTU are ranked top 1‰ on the ESI list in 2023. Its **Management School and Law School are accredited for the QS FIVE STARS**. XJTU offers undergraduate, master's, doctoral, and visiting scholar programs in its advantageous disciplines and enrolled international students from all over the world.

XJTU established extensive international communication ties with about 300 universities and research institutions from 44 countries and regions. It initiated the **University Alliance of the Silk Road** and built an international platform of educational cooperation and communication for more than 160 universities of 37 countries and regions.

Adhering to the principle of Chinese characteristics and striving to be the world-class, XJTU is committed to cultivating outstanding talents who advocate science, seek for innovation, and have a strong sense of responsibility and global vision. As of 2023, there were a total of 3,068 international students from 130 countries studying in XJTU, among whom 2,906 were degree-pursuing students, including 1,142 undergraduates, 863 masters and 901 doctoral students. Due to its outstanding education quality, the University was awarded by the Ministry of Education of China as the **"Demonstration Base for International Education"**.

The University is located in Xi'an—the geographical center of China, the starting city of Silk Road as well as the capitals of 13 dynasties in Chinese history. It is not only home to Terra Cotta Warriors and Horses and Huashan Mountain but also home to more than 100 world top 500 companies' branches. It is a hub of AI, aerospace, biotechnology, photoelectric chip, information technology, new materials, new energy, intelligent manufacturing etc. Its brilliant History, glorious culture, high-end technology, and friendly environment for realizing the dreams bring Xi'an into one of the most selected destinations for study in China.

Application Schedule

Online application: November 1st, 2023-April 15th, 2024
Deadline for payment: April 18th, 2024

Duration of Program

Master's degree: 2~4 years
Doctoral degree: 3~6 years

The university may decide to add one-year Chinese language study prior to the academic study according to the applicants' Chinese language proficiency. Students who could reach at least 4th level of HSK after Chinese language study can enter major study. Those who could not reach 4th level of HSK will be disqualified of major study.

Scholarships

1. **CSC-Chinese University Program**

A waiver of tuition fee, Free on-campus dormitory accommodation, Monthly living allowance, Comprehensive Medical Insurance for International Students in China. It only supports master's students for no more than 4 academic years or doctoral students for no more than 4 academic years, and it covers both major study and Chinese language/preparatory study, as specified in the Admission Letter.

2. **XJTU Siyuan International Student Scholarship**

A waiver of tuition fee, Monthly living allowance. It supports master's students for 2 academic years or doctoral students for 3 academic years.

3. **XJTU-Xi'an City Government "Belt and Road" International Student Scholarship**

A waiver of tuition fee, Monthly living allowance. It supports master's students for 2 academic years or doctoral students for 3 academic years.

Notes:

- Accommodation and comprehensive medical insurance are NOT included in XJTU Siyuan International Student Scholarship and XJTU-Xi'an City Government International Student Scholarship.
- All the scholarships laureates must take the **Scholarship Annual Review** to confirm the next year's scholarship status and/or level after being admitted.
- The Annual Review Result of Chinese Government Scholarship may result in the following scholarship status: funding, suspension, or cancellation.
- The Annual Review Result of XJTU Siyuan International Student Scholarship and XJTU-Xi'an City Government "Belt and Road" International Student Scholarship may result in funding, suspension, cancellation or change of allowance level.

Eligibility

- Applicants must be non-Chinese citizens with valid ordinary passports;
- Applicants must be in good health;
- Applicants for Master's degree must have a Bachelor's degree and be under 35 years of age, Applicants for Doctoral degree must have a Master's degree and be under 40 years of age;
- Applicants may not be in receipt of any other types of scholarship.

Application Procedure

Step 1. Online application at CSC website at <http://www.campuschina.org/>. Download the completed Application Form for Chinese Government Scholarship, print and sign your name. Program Type: B Agency No.: 10698

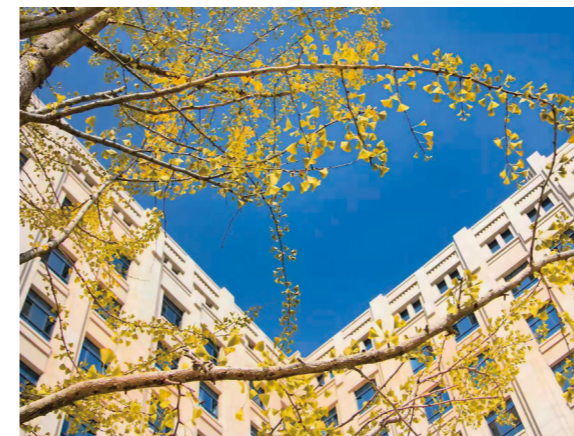

Step 2. Online application at Xi'an Jiaotong University's International student application system at <http://isso.xjtu.edu.cn/recruit/login> Please check VI. Application Documents for the detailed checklist and prepare corresponding documents.

Step 3. Pay the application fee. (The university will send Payment Notice for Application through system information/email to those who pass the initial review.)

Step 4. Application complete. Students should pay close attention to the application system and registered email; follow up the latest information such as academic review, pre-admission review, tuition payment and acceptance information, etc.

NOTES:

- Application fee is 800RMB which is non-refundable.
- Online application is the only way to submit the application. Hard copies are unacceptable.

Application Documents

All documents must be complete, true, and correct in either Chinese or English.

- Application Form for Chinese Government Scholarship** Downloaded after online application in CSC system.
- XJTU Application Form for International Students** Automatically formed after online application in XJTU system.
- Completed Original Physical Examination Record for Foreigners and Blood Test Report**

The physical examination must cover ALL the items listed in form. (Download at <http://sie.xjtu.edu.cn/en/2.pdf> and fill in Chinese or English.) The forms with incomplete records or without the suggestion and signature of the attending physician, official cross-edge stamp of the hospital or a sealed photograph of the applicant are invalid. Please select the appropriate time to take physical examination as the result is valid for only 6 months.

- Original Non-criminal Record**
- Original Highest Diploma and Its Notarized Copies** (Prospective diploma winners must submit official certificate from their current university.)
- Original transcripts in undergraduate or graduate period and their notarized copies**
- Recommendation Letters** Two original recommendation letters written by professors or associate professors. If applicants have already got provisional acceptance from professors at XJTU, please provide Xi'an Jiaotong University Recommendation Letter from Potential Supervisor as one of the two recommendation letters. The format can be downloaded at <http://sie.xjtu.edu.cn/sqclxz1.htm>.

Admission Notification

- Admission will be given to the outstanding candidates based on the comprehensive review results of application documents, interview etc. The university will decide which scholarship or allowance level to be granted according to the ranking of comprehensive review results as well as the seats of each scholarship in that year.
- Make sure your email, telephone number, postal address correctly be filled in the application system as they are key to get you contacted during the admission process. Failure to respond to the university in time as required may lead to automatic rejection.

Special Attention for PHD applicants: Some schools require *Recommendation Letter* from Potential Supervisor. Please check the list online and the information of professors.

Degree Programs: https://sie.xjtu.edu.cn/en/Programs/Degree_Program/Doctoral_Program.htm
Professors information: <http://sie.xjtu.edu.cn/yxxx/dsxx.htm>

- A Study Plan or Research Proposal** Applicants must submit a written study plan or research proposal in English or Chinese, with a minimum of 800 words for Master degree and 1500 words for Doctoral degree.

Special Attention for PHD applicants : You are required to use the format of *Xi'an Jiaotong University Study Plan for Doctoral Degree Program* which can be downloaded at <http://sie.xjtu.edu.cn/sqclxz1.htm>.

- Original Research Achievements and Notarized Copies** Applicants may submit published research papers, award certificates or other documents to prove their achievement and ability in academic research if any.

- Certificate of Language Proficiency** Chinese-taught programs: Report of HSK 4 180 points and above. Other language proficiency certificate is also acceptable upon approved by XJTU.

English-taught programs: Transcript of IELTS 6.0 and above, TOEFL 80 and above. Other language proficiency certificate is also acceptable upon approved by XJTU.

- Photocopy of Valid Ordinary Passport.**
Notes:
 - No application documents mentioned above will be returned whether the application is successful or not.
 - Incomplete Applications will be rejected.
 - Notarized Chinese/English versions are required for documents with languages other than the two.

- Applicants cannot change the major, study duration, and teaching language once they get admitted.

- The university will provide Admission Notice, JW201/202 form (Visa form) for the admitted applicants to applying for X visa to coming to China. Those who are with other types of visa will not be allowed for registration at XJTU.

- Admitted applicants should register at XJTU strictly in accordance with the date, place prescribed on the Admission Notice (usually in September). Failure to do so within two weeks will result in the admission and scholarship status being invalid.

- Please bring the Original Highest Diploma and Original Physical Examination Record for Foreigners and Blood Test Report when you come to XJTU for registration. If you fail to bring the documents or couldn't pass the verification, your admission and scholarship status will be canceled.
